#### School Announcement

Doubtless all the subscribers of the Keytesville paners have read the advertisement submitted by the officials of the Board regarding the opening of the Keytesville Public Schools October 4th. While this date is a little later than usual, there is no feeling that anyone will be in any respect inconvenienced.

There is not to my knowledge any school in Missouri that can show a more up-to-date house and equipment than Keytesville. Everything is new and perfectly sanitary. The Board have striven to make everything homelike and convenient for both teacher and pupil and a big year of success is in store for all of us through our cooperation.

A strong effort on the part of the administration and will be made to maintain the dignity of the school as an experience giving institution, ready to instruct both in and out of daily recitation that all the needs of the pupil may be met, as we feel that many home duties fall to us. We shall strive to keep a delicate line of communication between home and school and thereby be enabled to meet the demands of the student. The care of the pupil must be supreme. We will welcome advice from patrons concerning their ideas of the peculiar needs of their children with which we will not be readily acquainted and desire them to feel free to come or otherwise communicate with us at any time in the interest of their children. Teacher's meeting will be held from time to time concerning this point.

### MAKES BACKACHE QUICKLY DISAPPEAR

A Few Doses Relieves All Such  
Minerics. Bladder Weakness,  
Kidney Trouble and Rheu-  
matism Promptly Vanish

It is no longer necessary for any one to suffer with backache, kidney trouble, have disagreeable bladder and urinary disorders to contend with, or be tortured with rheumatism, stiff joints, and its heart-wrenching pains, for the new discovery, Croxone, quickly and surely relieves all such troubles.

Croxone is the most wonderful remedy yet devised for ridding the system of uric acid and driving out all the poisonous impurities which cause such troubles. It is entirely different from all other remedies. It is not like anything else ever used for the purpose. It acts on the principle of cleaning out the poisons and removing the cause.

It soaks right in through the walls, membranes and linings, like water in a sponge, neutralizes, dissolves, and makes the kidneys sift out and filter away, all the uric acid and poisons from the blood, and leaves the kidneys and urinary organs clean, strong, healthy and well.

It matters not how long you have suffered, how old you are, or what you have used, the very principle of Croxone is such, that it is practically impossible to take it into the human system without results. There is nothing else on earth like it. It starts to work the minute you take it and relieves you the first time you use it.

If you suffer with pains in your back and sides, or have any signs of kidney, bladder troubles, or rheumatism, such as puffy swellings under the eyes or in the feet and ankles, if you are nervous, tired, and run down, or bothered with urinary disorders, Croxone will quickly relieve you of your misery. You can secure an original package of Croxone at trifling cost from any first-class druggist. All druggists are authorized to personally return the purchase price if it fails in a single case.

#### Bad For Air Dome

The manager of the Airdome of Salisbury, Marvin Dunn, was here last week. In talking to a reporter he said that the airdome business at Salisbury had been hit pretty hard this year. There have been tent shows, the chautauqua and the hundred or more rains, all of which put a crimp in the airdome business. He hoped that a little sunshine and warmth together with other favorable circumstances might possibly exist before the winter set in.

#### Smutz Family Reunion

The sixteenth annual reunion of the Smutz family was held at the residence of Joshua Smutz August 19. There were 65 persons present including a number from a distance. During the year past there have been added by birth and marriage to the family 12 persons while one was removed by death. The next meeting is to be held the third Thursday in August 1916 at the home of W. L. Armstrong.

#### Ringling at Moberly

Ringling Bros. show is announced for Moberly Thursday, September 16. There is a cast of 1250 people beside the usual other entertaining features. It may be safely said that when one sees Ringling's, he sees the greatest there is.

The Santa Fe is the most comfortable summer route to California. All roads cross the western desert country, but the Santa Fe crosses it at its narrowest point. Annoyance of dust and smoke is prevented by oil-sprinkled road-bed and oil-burning engines. Sleepers and chair cars on through California trains are equipped with patent ventilators.

#### Record Calf Sale

A calf sale aggregating \$70,000 has been made which is about the largest of its kind ever recorded in the Panhandle country. The owners of the ranch of White & Swearingen in Cottle county, Texas, have sold 2,000 head of calves for November delivery at \$35 each. The buyer is Ralfo Newman of Illinois. This is the largest bunch of calves ever sold for this price.

#### Transfer Lumber Yard

The firm of Hayes & Hayes of Salisbury have sold the lumber yard there to the Logan-Moore Lumber Co. of Kansas City which thus adds the seventeenth yard to its chain of lumber yards throughout the county. A Mr. Woods of Kansas City will have charge of the yard. Hayes & Hayes have made no plans for the future.

#### Biliousness and Constipation

It is certainly surprising that any woman will endure the miserable feelings caused by biliousness and constipation, when relief is so easily had and at so little expense. Mrs. Chas. Peck, Gates, N. Y., writes: "About a year ago I used two bottles of Chamberlain's Tablets and they cured me of biliousness and constipation." Obtainable everywhere.
